

# Share the Flame LLC

**INSIGHT. IGNITE. INSPIRE.**

**“We are not vessels to be filled rather flames to be lit”  
African Proverb**

Share the Flame LLC, desires to partner with corporate and academic organizations to provide customized **insightful** consulting and training to extinguish resistance to change and **ignite** an inspired shared vision for teaming, leadership, diversity, equity, and inclusion! Share the Flame LLC desires to **ignite** a personalized Sacred Flame vision of self for Women of Color through transformational coaching, enclaved community, and tribal collective care. Share the Flame LLC desires to **inspire** people higher through motivational keynotes, dynamic social justice storytelling, compelling panelist participation, constructive informing and/or empowering commencement speeches!

## Debra (Debi) Jenkins PhD

Debra (Debi) Jenkins, PhD is the founder and CEO of Share the Flame LLC and an award-winning life coach, author, national and international presenter, facilitator, and educator with expertise in development, liberation, and transformational psychology within the context of diversity, equity, and inclusion. Clientele refer to Dr. Debi's whole life approach as enlightening, refreshing, and innovative! Dr. Debi is powerfully and meaningfully engaging with individuals and groups to ignite growth, development, and change on personal, professional, and organizational levels. In addition to Dr. Debi being the founder of Share the Flame LLC, she has experience in leadership and education with degrees in Education and Administration (AAS: Early Childhood Education & PhD: Higher Education Administration), Human Development (BA: Developmental Education, MA: Bicultural Development) and an MS in Psychology.

Carrie Wiekkel-Delaplaine- Higher Education Administrator

“Debi's energy and positive message resonate with her audience. Debi's words and her spirit encourage and support people who hear her to not just listen but actively participate. Debi's knowledge experience is shared in a way which moves people to a place of action and empathy for themselves and for those around them. Listening to Debi speak and serving the group- I saw engaged people who could relate! Spending time with Debi is truly transformative!” Listening to Debi speak and serving the group- I saw engaged people who could relate! Spending time with Debi is truly transformative!”
